GUY MEUNIER MEMORIAL MEMBERS & ASSOCIATE MEMBERS ONLY FETE

This is a closed event for members and associates only and will be held on the Saturday afternoon 18th November. It will be three games of 45minutes and will start promptly at 2pm so please be at the club to register well before 2pm.

The teams will be drawn by putting the competition players as captains and drawing the other two players from the general membership that has registered. It's felt that this will be the most even way to select a team for this event.

This is not part of the Presidents Cup but a separate competition with very nice trophies for 1st, 2nd and 3rd teams.

This will be followed by drinks and hors d'ouvres and the presentation of trophies

There is no cost to members or associates for this event or for the party after so please come along to compete as a club thanks to Guy Meunier, our founder.
